## She Flies On

### Refrain:

She comes sailing on the wind,  
her wings flashing in the sun;  
on a journey just begun,  
she flies on.

And in the passage of her flight,  
her song rings out through the night,  
full of laughter, full of light,  
she flies on.

Silent waters rocking on the morning of our birth,  
like an empty cradle waiting to be filled.  
And from the heart of God the Spirit moved up on the earth,  
like a mother breathing life into her child.

Many were the dreamers whose eyes were given sight  
when the Spirit filled their dreams with life and form.  
Deserts turned to gardens, broken hearts found new delight,  
and then down the ages still she flew on.

To a gentle girl in Galilee, a gentle breeze she came,  
a whisper softly calling in the dark,  
the promise of a child of peace whose reign would never  
end,  
Mary sang the Spirit song within her heart.

Flying to the river, she waited circling high  
above the child now grown so full of grace.  
As he rose up from the water, she swept down from the sky,  
and she carried him away in her embrace.

Long after the deep darkness that fell upon the world,  
after dawn returned in flame of rising sun,  
the Spirit touched the earth again, again her wings unfurled,  
bringing life in wind and fire as she flew on.
